

[9/14/13 8:09:33 PM] : Ty open the door to his apartment, kicking it open as he had arms full of groceries. He walks though, heading to his kitchen counter and putting them down. He pants a bit and turns back to check on his friend.

[9/14/13 8:11:37 PM] : "Excuse me, coming through!" Ben orders as he quickly runs in with eight bags around his arms full of groceries, trotting back and forth. He runs in and quickly sets the dishes down and runs to the bathroom, "Gah I've been holding it the entire time."

[9/14/13 8:12:41 PM] : Ty laughs. "I told you to go before we left stupid." He shakes his head and starts putting the items away. "Don't make a mess either!" He laughs a bit more.

[9/14/13 8:15:14 PM] : The door quickly shuts as Ty puts away the groceries. A few moments later a flush is heard and the sound of running water goes. "Hey, can you toss a roll of toilet paper!?" He calls from the bathroom. Within the sack of groceries with the toilet paper was a medallion Ben had, 'borrowed' from a chinese display case.

[9/14/13 8:17:34 PM] : "Really dude? You didn't even..." He sighs. "Yeah sure." He digs into the bag, pulling out a roll of toilet paper as he notices the medallion. He pulls it out of the bag, holding it in his hand as he brought both items with him to the bathroom. "Hey Ben, what's with the medallion?"

[9/14/13 8:20:17 PM] : "Huh?" Ben questions at first as he washes his hands, "Oh the medallion, yeah. You know that Chinese shop we passed on the way back? The one with that really creepy guy who kept looking at us? Well there was this medallion that was just sitting on one of the display cases. No one even noticed it was there." He says. "Pretty cool huh?" He asks, not aware that he may have stolen it.

[9/14/13 8:21:33 PM] : Ty waits for Ben to emerge from the bathroom, not looking happy. "Just sitting there? Did you just take it?" Ty sighed. "Dude since when did you become a thief?"

[9/14/13 8:23:19 PM] : "What?" Ben says as he opens the door and quickly takes the toilet paper to wipe the seat off. "I didn't STEAL it man, it was just right there. I think someone left it behind from before. Look at it man." He says looking at the black and orange jeweled medallion in the shape of a tiger.

[9/14/13 8:24:41 PM] : Ty stares at it, quite fascinated by the beauty of object. He was always very interested in tigers, so the medallion certainly held a special appeal to him. He shook off his intrigue and looked back to Ben. "It's not ours man. I mean, sure, it looks cool. But I'd feel bad if someone came back to get it."

[9/14/13 8:27:14 PM] : "You snooze you lose dude." Ben jokes. "Guess they didn't care enough for it to just leave it there." He says coldly. "It'd go great with outfits too." He goes back to the groceries, not noticing the tiger medallion become a bit brighter.

[9/14/13 8:28:47 PM] : Ty ignores the glow as well, simply feeling a warmth start to form in his chest. He walks back to Ben and puts the medallion in his hand. "Then you hold on to it. It just doesn't feel right to me." He grabs a few bags of stuff and begins putting it away, the feeling fading away.

[9/14/13 8:32:53 PM] : "Fine with me." Ben says putting the medallion around his neck. He looks down, satisfied with the way it looked and went back to putting away

groceries. After a few minutes, all the groceries had been put away, but Ben begins to scratch at his chest as it begins to itch. "So what's going on tonight? Anna still having that party?" He asks rubbing his shirt, using its material to scratch his chest.

[9/14/13 8:34:39 PM] : Ty shrugs. "I never know what Anna is doing. I'll be honest though, I kind of want to skip it. I'm tired and don't really feel like dealing with her fratty girlfriends." He sighs and heads over to his couch, falling into one of the corners and sprawls out. "Probably just going to make it a lazy night."

[9/14/13 8:41:05 PM] : "I'm cool with that." Ben says behind Ty. He begins to scratch his chest more viciously. "Shit." He says, becoming frustrated with the feeling. "Do we have any anti-itch stuff?" He asks, not noticing the medallion glow.

[9/14/13 8:43:06 PM] : Ty chuckles. "Nope. I didn't pick up any anti-karma medicine at the store." He lays his head back, trying to relieve the tension in his muscles.

"What's bothering you anyway?"

[9/14/13 8:45:47 PM] : "Screw you dude." Ben jokes, "I think I'm getting a rash or something." He says as his chest begins to become painful from all the scratching. "Seriously we don't have any Neosporin or anything?" He asks, almost pleads, scratching himself as the medallion begins to glow.

[9/14/13 8:46:40 PM] : Ty looks up, watching his friend scratch like a fiend.

"Uh...check the bathroom man. I don't think so though."

[9/14/13 8:49:25 PM] : Ben quickly goes to the bathroom and opens the mirror to reveal a shelf. He frantically searched for medicine with one hand while the other kept on scratching at his chest. He groaned at the pain from it. He comes to the horrific realization that there wasn't anything for rashes in the cabinet. "Shit man." He says leaning back against the wall in pain as his chest begins to swell. His shirt begins to get tighter as his muscles tense up, unknown to him.

[9/14/13 8:51:46 PM] : Ty sighs as he hears Ben fumbling around in the bathroom. "Relax man. We can just run out and grab something. No big deal." He shakes his head, not really wanting to leave again as he sits up, stretching a bit as he tried to garner the energy to head towards the door.

[9/14/13 8:54:07 PM] : "Fuck dude." Ben states and groans as his chest expands even more, beginning to tear through his shirt, revealing a tuft of white fur. His eyes were closed so he didn't notice.

[9/14/13 8:55:38 PM] : Ty grumbled. "Come on Ben. Quite messing around. I'm already tired as it is." He stood up and slowly headed toward the door. "Don't make me go get your stupid itch cream myself."

[9/14/13 8:58:40 PM] : Ben could hear Ty but he could only answer with a groan as his shirt began to tear. He opened the door quickly and accidentally fell on all fours, "I think somethings wrong with me!" He exclaims and then lets out a small yelp as his teeth begin to change.

[9/14/13 9:00:32 PM] : "Ben?!" Ty rushes back towards the bathroom, falling back as he stares wide eyed at Ben's changing body. "Holy shit dude....you're....you're...."

[9/14/13 9:05:30 PM] : "What the fuck is happening to me!?" Ben exclaims and the groans when his spine rises, arching him upwards as his muscles tear through his shirt to reveal orange fur with a black striped pattern. It was a mix if pain and pleasure. Part of him wanted this to stop, the other part wanted to change more. He

grabs his groin with both fur covered hands, "Ou.." He moans, "Oh god..." He says as his medallion is the only thing hanging on his now beefy torso. He falls back to his butt as a bulge forms in his pants.

[9/14/13 9:09:02 PM] : Jesus man..."Ty scoots back a bit, trying to slowly process what was happening. He watched as his friend groaned, his body growing larger and larger by the second. Ty's breathing was fast and erratic as his heart pounded in his chest. Ben's arms pulsed with muscles as the fur ran down them, his hands growing dark pads on the bottom, razor sharp claws growing from his fingers. Ty noticed the medallion glowing now, pointing at it as he shouted. "The medallion Ben! It's the medallion. Take it off!"

[9/14/13 9:14:14 PM] : Through his groans and the sounds of his bones creaking, Ben heard the sound of Ty frantically yelling for him to take off the medallion. He gritted his teeth as he became ripped, while his muscles were changing they became stiff, it was hard to move them. Ben tried to reach for the medallion but the process was slow and he lost his balance, falling on his fur covered muscular back, unable to reach it while he change. "I-I can't!" Ben exclaimed, his voice becoming deeper, "Nnngh!" He groans as crackling is heard and the bulge in his pants increases in size, almost half way down his thigh. His socks begin to strain.

[9/14/13 9:17:58 PM] : Ty leaped up, throwing caution to the wind and ignoring fear as he darted down the hall. He paused for a moment as he looked at his friend's massive frame. He watched as Ben's pants began to tear slightly, small patches of the same colored fur began to sprout in the holes. Ty tried to ignore Ben's body as it started to look more and more like a muscled anthro tiger. He saw the medallion glowing against his friend's chest as he reached down and began to pull it over Ben's neck.

[9/14/13 9:24:04 PM] : Ben's feet burst through his socks as they doubled in size, revealing black paw pads on the bottoms. His toe claws flexed outward for the first as his feet kept growing. He let out a growl as his pants became too tight to hold his growing structure and with one move of his muscular legs, his pants seemingly exploded off of him into pieces, revealing his fur covered legs. His balls had increased in size to the point where they spilled out the leg holes of his underwear and his big black cock was trapped between the leg hole as well. It was oozing with pre as it kept growing on his thigh. The medallion began to hold firm, as if it was pulling back against Ty. Ben's face began to push outwards and he roared.

[9/14/13 9:28:27 PM] : Ty stumbled backwards, losing his grip as the load roar scared him, the small human shuffling backwards, not sure what to expect. He saw the strained undergarment finally give way as Ben's massive member was finally free, the texture changing as tiny barbs began to grow across it. His massive testicles swayed below him as a nub formed at his backside. A long skinny pink sliver popped out, slowly growing down the massive animal's frame. Orange and black fur began to spread as it grew longer and longer, matching the growing size of the near perfect tiger. Ben's feet swelled with muscles, growing in size to support his massive frame. Ligaments tore and reattached to better aid the enormous creature.

[9/14/13 9:35:02 PM] : Ben managed to sit-up long enough to look at his friend as his face was now fully covered with fur and his nose turned pink. With one last

groan his eyes changed from dark brown to a glowing green, matching the eyes of the tiger on the medallion. He gritted his now sharp claws as his muscles in his hands grew to match the rest of him. He moaned, finally giving in and enjoying every bit of the transformation as it finished. His long tiger tail began to sway to and fro on the ground as his pre began to make a tiny puddle on the carpet floor.

[9/14/13 9:37:23 PM] : Ty struggled to keep his mouth closed, watching the changes wash over Ben and how much he was enjoying it now. He saw the massive hands growing large, his paws cracked and pulled out from his palms, his calf muscles pulsing as they grew. The creature in front of Ty was massive as he could only stare at the tiger that was once his friend.

[9/14/13 9:41:52 PM] : The tiger moaned in pleasure as he gently stroked his throbbing big tiger cock in front of Ty, "Mhm," He grins, "You've got to try this." He says with his deep voice as his tail continues to sway.

[9/14/13 9:44:09 PM] : He flexes his toe pads as he feels his new bulging muscles with one hand, while stroking himself with the other

[9/14/13 9:44:57 PM] : Ty shook his head. "Ben no...I'm sorry...I tried to stop it..." Ty covered his mouth with his hands, feeling as if he had failed his friend. The deep voice rang in his head as he tried to block it out. He had always loved tigers and now there was his friend, sitting there as a massive one talking back to him. He watched as Ben pleased himself, feeling the stern, chizzled power beneath his soft fur.

[9/14/13 9:50:56 PM] : Ty wasn't wrong, the Ben that he knew was gone, now Ben had become something of a Tiger god. Still, Ben grinned as his eyes caught sight of a certain emotion within Ty's, temptation. The massive tiger stopped touch his rock hard, herculean figure and let his big black pulsating tiger cock just stand at full attention as more pre ran down it, glistening when ever it arose on a vein. "I forgive you." He states and licks his lips with his long pink tongue.

[9/14/13 9:55:45 PM] : Ty nods, breathing a bit fast as his heart still pounded in his chest. Thousands of thoughts ran through Ty's head. He wondered what he might be like to rip the medallion off of Ben, wear it himself and join him as a massive tiger. He looked at the feline's body builder frame and marveled at the strength and power Ben must have had. He shook his head, trying to clear his mind as he thought about reversing the curse. Maybe if he went to the shop the owner could assist him. "Thank you Ben. And don't worry. I'll find a way to fix this." He sighed. "You just had to take that medallion didn't you?"

[9/14/13 10:01:29 PM] : Ben chuckled at Ty's words, easily seeing the inner conflict within his friend. What he wanted and what he thought was right was two different things, so Ben grinned and decided to make things bit more simple for Ty. He carefully slid the medallion off of his huge bulging muscles and let it dangle on one finger, "I did just take it, didn't I?" He teases and rubs one hand paw on his large and throbbing cock, getting a bit of tiger cum to drizzle onto his furred hand.

[9/14/13 10:04:04 PM] : Ty nods and looks at the medallion, closing his eyes for a moment before he slowly shook his head. "You shouldn't have." He turns his glance away from the medallion as he tried to remember where the chinese store was located. He avoided looking at his friend at all costs, trying his best to stay focused so he could return Ben to normal.

[9/14/13 10:07:38 PM] : "Come on Ty." Ben's deep voice purrs, "You know you want to." He says as he continues to feel his musclebound tiger body, purring softly as he did. "I've never felt this good before." He says as his tail sways in a state of pure and complete bliss.

[9/14/13 10:10:31 PM] : Ty looks at the medallion as he struggles to maintain his composure. "I need to help you Ben. We need to fix this." His sense of purpose was all that was keeping him from snatching the medallion. He tried not to think about joining his friend. He couldn't let Ben know what he truly wanted.

[9/14/13 10:14:47 PM] : "I don't need help." Ben says laying back, setting the medallion on his rock hard, perfectly sculpted abs, letting his cock just stand freely and drip. "I love this." He purrs in his deep voice as he flexes his beefy toes.

[9/14/13 10:17:04 PM] : Ty watches Ben's footpaws flex, his pants finally giving away his desires as he develops a small tent. "You like it?" Ty seems confused, remembering how scared and panicked Ben was not 10 minutes ago.

[9/14/13 10:20:40 PM] : "I didn't know anything could feel this good." Ben states as he lays. Ty was right, less than ten minutes ago he was calling for help. But this was a new Ben, a changed one who gave into his side of pleasure and stopped fighting it. "Just lying here feels like heaven." He purrs as his tail sways, "Won't you join me?" He asks and playfully looks at Ty.

[9/14/13 10:25:01 PM] : Ty looked back and Ben, smiling, seeing the true pleasure and happiness in Ben's eyes. Part of him wanted to run to his sexy friend, slap the medallion on and change in his arms. But Ty couldn't. A another part of him was much stronger even as his pants strained against his rock hard member. "Ben...I...I can't." He sighs. "I admit it. You look amazing. I mean, I'm not even gay and...well..." He thought about his arousal, stopping short of saying anything more. "I'm scraed Ben...I can't..."

[9/14/13 10:30:09 PM] : Ben smiles as Ty. It was one thing to go through the transformation and not know what was happening, it was another to make yourself transform fully aware of what you were doing. It'd be nerve wrecking for anyone. Ben slowly took the medallion in his giant meaty hand paw and turned over on all fours, letting his giant muscles show themselves as he slowly walked over to Ty, purring. "I'll help you." He says in Ty's ear as he gently puts the medallion in Ty's hand, with Ben's other hand still stroking his leaking cock.

[9/14/13 10:34:22 PM] : Ty shivered a bit, the medallion glowing in his hand as the warmth returned. He looked up and stroked the giant tiger's fur, running his tiny hands over Ben's massive body. "Ben no...this is weird...we're guys..." His head hurt from all the the conflict running around inside of it. "I..." He looked at his pants. "I shouldn't be this turned on by my best friend turning into a giant tiger..." He let the medallion drop to the floor as he put a hand to his face. "That thing is changing who we are."

[9/14/13 10:39:50 PM] : Ben watched as the medallion dropped to the floor and then noticed the tent in Ty's pants. He grinned after Ty proclaimed that the medallion didn't just change his body, it changed his mind as well. "It' isn't about straight or gay." Ben states purring, "Only how you feel." He puts a giant hand paw across Ty's bulge, "And this is what you really feel." He grins.

[9/14/13 10:43:24 PM] : Ty moans a bit. "Ben..." He knew his friend was right. The first time he touched it was all it took. Ben simply wore it and took it further. Ty was so ashamed to have been turned so easily, but his friend's massive paw simply grazing his pants sent a shot of pleasure through his body, opening his mind for a moment. "It is Ben." His mind quickly caught itself. "But it's not me..."

[9/14/13 10:46:57 PM] : "You don't have to change if you don't want to." Ben states but leaves his hand paw over Ty's tent and began to slowly start caressing it, while he caressed himself. "But what is it you really want?" He asks with a playful grin.

[9/14/13 10:48:38 PM] : Ty's mouth opened wide as he moaned out from the touch, his body feeling like it was on fire from the simplest of touches. "Oh Ben...I...I want..." He grunted and began to push into Ben's massive paw, loving the feel of it even through his pants.

[9/14/13 10:53:09 PM] : Ben let out a smile, feeling his sharp teeth as he rubbed his giant beefy handpaw across Ty's bulge which jumped at his touch. He could feel its tip poke his meaty paws. Slowly Ben stopped and purred. He went up to Ty's zipper, leaving the button of his pants on, and gave Ty a playful look as he slowly brought the zipper down. It's very sound a tease as Ben kept purring and his tail kept swaying.

[9/14/13 10:55:43 PM] : Ty put his hand on Ben's massive paw, helping him unzip his fly. He stroked the huge furry arm, loving ever curve and soft patch to Ben's body. His mind shut off and focused simply on the most amazing sensations of his life, yet nothing had really happened. Ty locked eyes with the beast, smiling back at his friend.

[9/14/13 11:01:21 PM] : "Hmm." Ben moaned as Ty stroked his arm, giving into his pleasurable side as well. Ben carefully went into the opening in Ty's pants, thanks to the zipper being undone, and felt the imprint of Ty's throbbing member within the underwear. Ben gently grabbed onto it for a moment, purring, and gently going up and down, pumping it softly just a few times in the fabric of the underwear. Finally he reached up into Ty's pants with his giant hand paw, letting his pawpaws rub against Ty's belly lovingly, before gripping onto his underwear waist band and slowly pulling down, letting Ty's fully erect and now leaking throbbing penis out between his zipper.

[9/14/13 11:05:18 PM] : Ty squeezed his friend's massive arm, smiling as he panted a bit. His body shivered as he felt the large paw enter his pants, the feeling of soft fur and rough pads against his bare skin was incredible. He held on Ben's enormass arm, almost trying to guide it along his body as Ty kept petting it. His underwear slide down, already covered in pre as the clear liquid lightly coated Ben's paw. Ty continued to look at Ben, so happy he could just enjoy this moment without a war inside his head.

[9/14/13 11:11:53 PM] : Ben, seeing Ty's penis poking outside of his zipper, glided a pawpad along it, watching it jumped from pleasure and oozed out pre, that slowly dripped onto Ben's finger. But the lusty tiger bodybuilder didn't mind, in fact he welcomed it with a purr. He slowly grabbed onto Ty's fully erect member, and began to pump slowly. Back and forth his big beefy pawpads pumped his friend, forcing

him to enjoy every second of it. Back, forth, back, forth. Ben never lost eye contact with Ty, and the beast could see the overwhelming pleasure on his face.

[9/14/13 11:16:18 PM] : Ty moaned out, his mind in a haze of pleasure. His thoughts returned to his desires, becoming a powerful tiger with his friend. Being able to return the waves of pleasure he was feeling. He thrust into the beastman's paw, the rough pads feeling better than any stimulation he had ever felt before. He grunted and looked into Ben's eyes, letting him know with a simple glance how amazing he felt.

[9/14/13 11:22:08 PM] : Ben grinned and continued to slowly pump as Ty's warm pre slowly trickled down his hand. Ben slowly increased the pace and intensity of his grip, gripping ever so slightly tighter to get more control and more texture burrowed into the organ. Ben purred and his heavily built musclebound body began moving closer to Ty's member as his tail swayed slowly in comfort. Back, forth, back, forth. Finally, Ben lowered his head and put Ty's penis into his mouth while he still held onto the base of his penis. He gently moved his rough tiger tongue around Ty's penis and began to suck. A new rythym, up, down, up, down.

[9/14/13 11:25:32 PM] : Ty moaned and groaned as he felt the pumps becoming quicker, his mouth hanging open as he panted. He thrust again and again against the paw until he saw Ben going down below with his muzzle. As he felt a rough tongue grace his penis, he let out a cry of pleasure, the most intense wave of ecstasy he had ever felt washed over him. He couldn't hold back as he grabbed the tiger's head as best he could, running his puny hands of the beast's giant skull. "Ben...oooh man...Ben..."

[9/14/13 11:31:07 PM] : Ben closed his eyes and increased in intensity with each bob he did, down, up, down, up. His incredibly strong jaws, his long and meaty rough tiger tongue, and the size of his skull made him giving head like heaven on earth. He reached up with his other large hand paw and went under Ty's shirt, feeling his human skin with his giant pawpads as he caressed the side of his body tenderly. One could hear the beast purr loudly like a motor as he was enjoying giving as much as Ty was receiving. He let his tongue push against Ty's penis as he sucked, up, down, up down, increasing with even more intensity.

[9/14/13 11:36:53 PM] : Ty smiled ear to ear as he rubbed the tiger's head. He felt another large paw running up his shirt as he quickly put his hand underneath and laid it on the massive paw. He pet the fur, gliding along his chest with it, the rough pads and soft fur combining to feel like nothing he had ever experienced before. His body was on fire as he caught a glimpse of the shining medallion he had dropped, quickly throwing his head back as Ben's tongue danced on his member. "Oh yes Ben...this feels so good..."

[9/14/13 11:42:05 PM] : Ben purred as he looked up, feeling Ty's hands caress his head. Then he noticed Ty look back down at the medallion, and Ben could see the look of want written all over his face like never before. Ben let Ty's cock out of his mouth, though he still held a grip and gave it a quick lick to lick the pre off of it. "Ready?" The very ripped tiger beast asked and went down to pick up the medallion. As pleasurable as Ty felt now, he'd feel twice as pleased when he changed. Just like Ben. He hands Ty the medallion.

[9/14/13 11:46:46 PM] : The medallion glowed in Ty's hand. His body ached for release and to experience even more pleasure. A small peice of Ty's mind was still fearful as he looked at the medallion, his rock hard cock pulsed in Ben's massive paw. "Ben..." He grunted a bit as he looked at the glowing green object."I..." He tried to find the strength to make a decision. He looked back into the green eyes of the tiger, looking for some kind of solution. "I'm still..." Fear clouded his mind as he tried to focus on how amazing he just felt.

[9/14/13 11:50:57 PM] : "It's alright." Ben purrs and smiles reassuringly to his best friend, "I'm right here." His deep voice says and he goes back down, sliding Ty's cock back into his mouth through the lips first. It would ultimately be Ty's decision but maybe Ben could persuade him a little. He continued to do what he had done before, letting his big buff hand paw caress Ty's body while he would come to the decision.

[9/14/13 11:55:24 PM] : "Ahhhh...Ben....mmm..." He smiled brightly, but knew what he needed to do. He gently tapped the tiger's muzzle, drawing his attnetion away from his pulsing cock and back to Ty's eyes. He panted a bit from the stimulation as he kept a hand on the massive paw stroking his chest. "Ben...you're so amazing...I just...you're such a sexy tiger and I...I..." He smiled, stroking the magnificent muzzle Ben had developed. "I want this so bad Ben...I want you...this...us..." His eyes watered up a bit as he gazed into Ben's eyes. "Why can't I let go?"

[9/15/13 12:03:15 AM] : Ty did get his attention and the tiger smiled softly as he was being overcome with emotion, still being conflicted on the inside. "Maybe it's because you're afraid of losing yourself." Ben's deep voice suggests, "You're afraid of being nothing more than a sex machine, rather than a person, leaving everyone behind." Ben rises slowly, purring as he still caressed Ty's body lovingly with his pawpads. "Maybe you just need to know that there's someone always there for you." Ben says, his massive hulking figure towering over Ty. Before Ty could say anything Ben bends down and kisses Ty and hugs him tightly against his big muscular tiger body.

[9/15/13 12:07:40 AM] : Ty falls into Ben's body, accepting the kiss and loving every second of it. He moaned a bit, gripping Ben as tight as he can. "We've been so close for so long Ben...I..." He smiles, rubbing Ben's body with his hand as he looked up at the tiger, smiling, the words touching him on a very deep level. "That's exactly it Ben. I don't want to lose myself. But you..." He kisses the tiger's furry chest and rubs it in.

[9/15/13 12:12:10 AM] : "I love you." Ben finally says, "No matter what form you are." Maybe it was a feeling he had inside of him all along and the magic medallion brought it out but what he spoke was the truth. He keeps hugging Ty, embracing him."You don't have to be a tiger to have my love."

[9/15/13 12:22:46 AM] : "Ben..." Ty couldn't believe what he was hearing. His heart ached as Ben spoke. A small tear ran down his cheek as he clung to his friend, their hearts finally open to one another. "You don't know what this means to me." He sniffels. "I love you too." He hugs the tiger tight, nuzzling his head into Ben's fur.

[9/15/13 12:27:12 AM] : The beast chuckled softly as he held his best friend lovingly, purring. The two finally sharing the truth with each other. Though an odd pair, they couldn't be any happier.

(Should I end it here or keep going?)

[9/15/13 12:27:31 AM] : (I'd love to keep going if you can. This has been amazing.)
[9/15/13 12:28:02 AM] : (Oh okay lol, I was just checking lol I'll keep going)
[9/15/13 12:28:24 AM] : (Sweet. Hope you've enjoyed it too.)
[9/15/13 12:31:41 AM] : (You've made me leak so much tonight XD)

Ben nuzzled against Ty's head purring, like any cat would. His tail swayed happily as he was still comfortable in his huge hulking body. And his giant member still throbbed, still oozing with pre. "Shall I?" Ben asks his giant black tiger cock coming into contact with Ty's human cock.

[9/15/13 12:36:21 AM] : (Sweet. I'm glad our styles mesh. We've been going at it for about four and a half hours.) Ty shook his head. "No..." He looked down at their members, the size difference clear as day. He looked up at Ben, the medallion still in his hand. "This can't work and we both know that Ben." He tried to smile, sniffing a bit as he regained some composure. "You deserve someone that can satisfy you. Someone that can please you fully." His half smile fades. "You deserve someone that will give you everything..."

[9/15/13 12:41:08 AM] : (I know time's just flown by)

"But you ARE that someone." Ben says with his deep voice, "You don't have to change who you are to please me. I," He thinks of a reason, "I-I can please myself." He says but then chuckles at how silly that sounded, but it was true. Ben looked into Ty's eyes with his green eyes almost pleadingly. "You don't need to feel guilty."

[9/15/13 12:46:29 AM] : (Yeah it has. You're really good.) Ty shakes his head, glarring back at his friend. "I don't feel guilty. But you're also a terrible liar." He sniffs again, holding back more tears. "Look me in the eye and tell me you could live with me like this and you as you are." He stares daggers into Ben's eyes. "Pleasing ourselves is something we've both done since we were kids. That gets old. And it's so much better with someone you love..."

[9/15/13 12:50:51 AM] : (Me? 1/4 of the way into this I was like, oh shit I gotta pick it up, this guys good at this lol)

"But I love you..." Ben states and looks down, for the first time not smiling or purring. "Are.. are you saying you can't be with me?" He questions as a worried look comes over his face. "But, we've always been bros..." He states.

[9/15/13 12:58:53 AM] : (lol. I'm flattered. Thank you.) Ty gulps. "We have always been bros. And I've always loved you like a brother. And now...now it feels like there is even more there." He strokes your chest. "Tell me this would be enough." He looks at his puny frame. "Tell me that Ben..."

[9/15/13 1:04:08 AM] : "You don't have to please me for me to love you." Ben tries to proclaim, "I love you just the way you are." He tries to smile reassuringly. "You don't have to change for me. Isn't that what love is?" Ben proclaims, though his throbbing member said otherwise as if it were blocking all of his words. The definition of cock blocking. (Yup I just went there, ZING lol)

[9/15/13 1:11:30 AM] : Ty sighed, not pleased with the answer. He gently reached out with a small hand and rubbed Ben's throbbing member. "Please Ben..." The tears began to fight their way through again. "Those are great answers for a victory speech. A Noble Prize maybe." He sniffled once more. "But I need to hear what's in

your heart. What you truly desire. I need to know before I can do anything else Ben...please..."

[9/15/13 1:17:19 AM] : "I-I.." He sees the pain welling up in Ty's eyes and is beginning to feel guilty, "I don't want to hurt you...but" He purred as Ty stroked his throbbing cock that had begun to pulsate, "I need release..." He says, "I need to blow." He states. "I know I'm still me inside but...it just feels so good, I can't help it." He says purring as he's mixed with pleasure and guilt as Ty rubs the hulking tiger's leaking member.

[9/15/13 1:19:42 AM] : Ty keeps stroking, a smile breaking on his face. "You deserve to feel that release my fear friend." He kisses Ben's chest and works his member over as best he can with his puny hand. "And how would you hurt me Ben?"

[9/15/13 1:24:09 AM] : Ben let out a moan as his throbbing member began to be stroked, though it was a minor feeling due to his cock being so big and thick, Ben appreciated what Ty was doing, "I don't want to leave you heartbroken." He says as the hulking beast lets out a loud purr, like he was a motor or something. "I never want to see you hurt." Ben says and he closes his eyes letting the pleasure wash over him.

[9/15/13 1:27:13 AM] : "The only way to can hurt me is by not telling me the truth." He kept on stroking up and down, knowing it was more then likely doing nothing for Ben. "So tell me honestly Ben. This is doing nothing for you..." He sighs "You need more..." Ty tried to look at Ben's face, the feeling of pure bliss painted on it surely not as intense as it should be.

[9/15/13 1:30:08 AM] : "... " Ben was silent as he kept on trying to make himself feel the intense pleasure, but even Ty knew it was hardly doing anything. The hulking beast looked at Ty and sighed, "...Yes." Ben finally tells the truth, "I need more..." He states, his smile fading away slightly. "I'm sorry." He says feeling guilty.

[9/15/13 1:32:19 AM] : Ty reached up, taking his hand from the throbbing member and gently stroking the large beast's muzzle speaks to him in a loving tone. "Don't be sorry. I needed to hear that." A smile actually comes across his face. "Tell me what you need Ben.." He clutched the medallion tightly in his other hand as his heart pounded against his chest.

[9/15/13 1:35:50 AM] : The beast purrs as Ty strokes his muzzle. "I need a tiger..." Ben states to Ty truthfully. He wondered what Ty was going to do. "Are you?" He starts to ask.

[9/15/13 1:38:33 AM] : Ty looks into Ben's eyes. "I don't know..." He simply stroked Ben's fur, running his hand along the tiger's massive arm, slowly reaching his paw. Ty rubbed the furry hand and placed it on his other hand, the medallion glowing between their fingers. "Am I?"

[9/15/13 1:40:18 AM] : (Is he? lol)

[9/15/13 1:40:48 AM] : (You tell me. It's your turn.)

[9/15/13 1:41:09 AM] : (Damn you lol)

[9/15/13 1:41:35 AM] : (lol. I have three ideas of how this could go. I'm seeing where you take it. XD)

[9/15/13 1:42:07 AM] : (No damn it you tell me those three ideas cause I have two XD)

[9/15/13 1:44:59 AM] : (You're not going to tell me are you? Fine then lol)

[9/15/13 1:45:46 AM] : (Nope. Do what you think works. I'll love it no matter what.)

[9/15/13 1:48:32 AM] : The medallion began to glow like it did when they first tried to wear it. Ben watched in amazement as Ty finally made his decision, he wanted to be with Ben as Ben wanted to be with him. Immediately, as they held the medallion together, Ty's fingers began to change as thick pink pawpads began to grow out from his fingertips and white hairs began to sprout on his hand. Ben couldn't help himself but be grateful and he kissed Ty out of sheer love for him.

[9/15/13 1:54:41 AM] : Ty returned the kiss, feeling the power flow through him as he kissed Ben back. He and Ben both lifted the medallion and put it around Ty's neck, letting it affect him fully. Ty put his hand to Ben's letting it change as the puny hand cracked and twisted, the rough pads growing large as they began to match Ben's in size. Sharp claws and white fur sporuted, the black and orange fur filling in the stripes and remaining coat. Ty smiled as his arms swelled, his shirt beginning to tear as his mass increased. He gripped Ben's paw, the huge paw out of place on the small human as their fingers intertwined.

[9/15/13 1:59:16 AM] : Ben couldn't help but smile affectionately knowing that Ty was doing this all for him. He used other big and meaty hand paw and stroked Ty's chest as his muscles expanded. He couldn't help but start caressing his growing pecs and watching as his abs grew in perfectly. His member got even more excited and it jumped upon touching Ty. "I love you." Ben says again, looking Ty in his eyes, which were changing as well.

[9/15/13 2:02:44 AM] : Ty smiled, his fear still present, but Ben's touch helped him overcome as he groaned. "I love you too Ben..." He grunted, his back and chest expanding, muscle layering on top of muscle as rips began to form in his shirt. The same orange fur as before began to spread over his body, his still mostly intact shirt covering all the growth beneath it. His arms followed suit, growing large and puffed with strength. His biceps tore his sleeves off as the fur spread down his arm to meet his perfectly formed paws. Ty ran his new hand over his friend's chizzled pecs, smiling at him as he grunted in a mixture of pleasure and pain.

[9/15/13 2:07:52 AM] : Ben could still see a bit of nervousness as Ty kept changing in a mighty hulking tiger like him. He brought Ty closer to him, embracing him, putting their giant muscles together as Ben kissed Ty again, feeling his frame grow by the second. He could feel muscles bulging out, becoming rock hard solid and even begin to layer. "How does it feel?" Ben asks in his deep tiger voice, taking off the pieces of Ty's clothes that refused to let go of their fabric. He caressed Ty's back as he was becoming a mighty creature.

[9/15/13 2:13:58 AM] : Ty moaned and smiled as Ben tore away his shirt, freeing his huge chest and back as the fur was finally released. His upper body pulsed with power as his pants began to tear next. The fur ran down his stomach to his groin, still hanging out of his zipper as it began to grow, quickly popping the button that held up his pants. Ty kissed the giant tiger again, licking his muzzle and moaning slightly. "It feels incredible Ben..." He kissed his friend again, all fear and hesitation fading as it felt right to become a tiger, to match Ben, to please him. "You needed a tiger Ben...please don't feel guilty...I did this for you...but I wanted it so bad...wanted you..."

[9/15/13 2:17:44 AM] : Ben could only smile to see how much Ty truly loved him. He continued to embrace the growing beast and he looked down, noticing Ty's cock begin to swell and become bigger, his thighs fighting against his pants. "Let me help you with that." Ben says. He flexes his claws and grabs onto Ty's pants, gently tearing them off to allow Ty's legs room to grow. They responded by quickly gaining muscle, Ty was beginning to look as ripped as Ben was as his calves begin to bulge out, becoming packed with muscle.

[9/15/13 2:23:02 AM] : Ty let out a mix between a grunt and an animalistic growl as he felt free from his clothing. "Mmmm....thank you Ben...." He member began to grow the same barb like slits as Ben's as it extended out, matching Ben's in size and girth. His balls sank lower and lower as they exploded, filling with ounces of potent fluid. Ty gripped Ben's shoulders hard as he grunted, his legs crack and growing as he rose up, his chest nearly even with Ben's. His thigh pulsed and flexed, ligaments growing larger, covered in thick muscles, thick orange and black fur giving him the perfect look. His own tail began to pop out of his rear as he let loose with another grunting growl, the tail falling down his leg as the fur quickly covered it. The new appendage swayed back and forth to show Ty's satisfaction.

[9/15/13 2:27:07 AM] : Ben's tail matched Ty's went it came to swaying with satisfaction as Ben watched eagerly as Ty's cock grew to his size and girth. He could hear Ty's muscles crackling as they increased in size to match his and his feet began to grow, nearly tripling in size and filling up with meaty muscles to accommodate his new weight. "You're beautiful." Ben says as he watches Ty's nose turn pink. He licked the tip of his nose affectionately nuzzling him as his face began to push outwards to that of a feline.

[9/15/13 2:31:25 AM] : Ty moaned as the pleasure invaded every inch of his body. He felt his shoes explode open as his feet cracked and pulsed. The fur overed them quickly as the swelled, the massive feet growing even bigger and pushing Ty to eye level with his lover. His pads grew in below his paws as he dug them into the carpet, flexing them and feeling the muscle pulse beneath his fur. He smiled widely as he felt his nose change and push out with his face. His ears moved to the top of his head as the fur covered his face and ears. "Not as beautiful as you are* Ty wrapped his massive furry arms around Ben's head and pulled him into a kiss as his muzzle pushed into Ben's own, the kissing becoming easier with each crack.

[9/15/13 2:35:05 AM] : Finally Ben and Ty were able to kiss, muzzle to muzzle, and the two massively muscled tiger's couldn't be any happier. "Thank you." Ben says and kisses Ty again, feeling all over his new tiger body as their cocks touched each other, both oozing with pre. Now they could really have some fun. "You thinking what I'm thinking dude?" Ben asks Ty', feeling his mighty tiger muscled abs.

[9/15/13 2:37:30 AM] : Ty smiled back. "I know I am." He smiled, lowering one of his giant paws to Ben's dripping member. "You needed a tiger lover." He grins and begins to stroke his friend's member, Ty's large paw and rough pads perfectly stimulating the giant rod. "You need release. And now I can finally give you what you deserve Ben." He says warmly as he strokes up and down.

[9/15/13 2:40:33 AM] : The massive tiger man let out a small roar as the immediate intense pleasure of Ty stroking his throbbing cock with his giant hand paws sent him

in a world of bliss. "Ou." He moaned with each pump and shut his eyes as he put both his giant hand paws on Ty's beefy striped shoulders. "It feels so good." He let out another tiger growl as his tail swayed and he began to purr.

[9/15/13 2:42:38 AM] : "So good Ben...feel the pleasure. Know that I am yours. A tiger like you...exactly what you craved." Ty began to change up his pace, stroking slow, then fast, then slow again, up and down, using his claws to gently caress the underside of your member, the most sensitive areas stimulated by precise claws.

[9/15/13 2:47:18 AM] : "Ah!" Ben roared as his cock began to pulsate, oozing with cum that dripped onto Ty's hand paw. "You are my sexy beast." Ben purrs as his tail sways, even his purrs almost quivered from the intense feeling of pleasure. He gripped onto Ty's shoulders a little harder, it was almost like a gauge to let Ty know where he was at. He moaned as the beast stroked his dripping pulsating member.

[9/15/13 2:52:11 AM] : "And your are my beast lover." He strokes faster, sensing Ben's need and pushing him further. Ty's other paw stroked Ben's chizzled chest, gently teasing his nipple as Ty pumped away. "Release Ben. It's so much better when you're not alone...isn't it?" He grinned.

[9/15/13 2:56:20 AM] : "Ah! Nngh, it is!" He roars as a wave of pleasure so intense it made his knee's buckle and he roared. He leaned back on the wall for support as he purred loudly, "Ouuu!" He moaned as he gripped onto Ty's big broad shoulders, "I'm! I'm gonna!" The tiger announced. His claws came out and he gritted his teeth from the pleasure. "Ah!" He roared a full on roar and unleashed a wave of hot tiger cum outwards onto Ty'.

[9/15/13 2:58:39 AM] : Ty watched as his friend tensed up, his release so near. As Ben let lose with a powerful roar, Ty followed suit, letting the mess hit him in the chest, splashing up to his chin and nose. He licked the juices from his mouth and smiled, watching Ben unload onto his chest.

[9/15/13 3:01:54 AM] : "Ou, oh god!" Ben exclaimed and load after load of ropey tiger jizz hit Ty's chest and drizzled, puddling on the ground. He'd never felt a pleasure so intense as this, and his leg was shaking. He unloaded a few more shots before finally exhaling and breathing heavily, coming down from his high climax. He rubbed the top of his friends head, breathing heavily, at a loss for words. He'd never ever experienced anything on that level before.

[9/15/13 3:04:40 AM] : Ty smiled, stroking his friend's penis and gripping hard as he forced ever ounce of semen from his shaft. He finally released it as Ben rubbed his head. He reached up and held Ben's paw, the juices still dripping from his own hand. Ty ran his other paw over his chest, grabbing some of Ben's cum and painting it onto Ben's chest, rubbing it in with a smile. "Now that was worth everything." He smiled warmly.

[9/15/13 3:08:05 AM] : "Hell yeah.." Ben panted, taking one hand paw and rubbing Ty's hand as his beastly friend painted his cum onto his broad furry chest. He purred loudly. "I never finished your turn." Ben states and grins playfully.

[9/15/13 3:09:54 AM] : Ty smiled. "I don't care. This is about you. Your stolen medallion. Your crazy behind trying it on and then all this. It's you ya sexy beast." He pushes Ben against the wall, their chests coming together as Ty kisses his friend once more, the mess on their chests spreading as they rub against one another.

[9/15/13 3:14:50 AM] : Ben moans as Ty's long and rough feline tongue enters his muzzle, exploring his mouth, causing a bulge in his tiger cheeks. Feeling the cum smear across their perfectly muscled bodies and hearing the sweet thing Ty had to say, Ben was overwhelmed with happiness and he purred. "Come here you." He says and grabs Ty, pulling him down to the ground. The two naked, hulking tiger boys laid side by side, cum smearing all over each other, as they shared a long and deep kiss. They both caressed each other and Ben even began to play a version of footsie with Ty's big beefy feet.

[9/15/13 3:21:30 AM] : Ty moaned into the kiss as they rolled around, the feeling of their paws touching making his member throb even more as it was squeezed between their bodies. Ty finally got his bearings and used his large paws to claw at Ben's. His nails dug into the top of Ben's feet, the fur and muscle causing the digging to feel extra sensual rather than inflict any pain. Ty groaned, stroking his friend's chest as their paws tangled. "Ben..."

[9/15/13 3:23:28 AM] : "Yeah dude?" He says as he holds his beastly friend tightly, never wanting to leave his big beefy furry arms. He kept playing with Ty's feet as they spoke.

[9/15/13 3:27:35 AM] : He stroked Ben's muzzle "I..." He smiled, licking his friend's nose. "I love you so much Ben. I don't care about gay or straight, human or animal." He pressed Ben close to him, his member drooling between their bodies. "I am yours forever Ben."

[9/15/13 3:31:19 AM] : Ben purred in Ty's ear as they lied on each other. He gave him a light kiss on the lips, "I love you more than anything." Ben says. He truly was comfortable in the new body of his. He smiled and then looked down at Ty's member, still throbbing and calling out for attention. "We should take care of that." He says with his deep voice as he reaches his beefy hand paw down and gently caresses Ty's giant balls.

[9/15/13 3:38:26 AM] : Ty moaned loudly, a slight growl escaping his lips. "You know...when you were first changing I had the urge to run over and join you the whole time." He licked Ben's nose, rubbing his massive chest with his clawed hands. "You were so big, so sexy...being a tiger wasn't a draw back. It turned me on so much Ben." He smiled, his footpaws still tickling Ben's. "I'm so sorry I was scared." He kissed Ben's lips. "But you need to know how badly I wanted this. How perfect this is. I regret nothing."

[9/15/13 3:44:38 AM] : "I don't blame you dude." Ben purrs as he proceeds to stroke Ty's big long tiger cock. "I could see that you were fighting yourself." He says as he closes his eyes, enjoying the sensations he was feeling all throughout his body. "You knew changing wasn't just gonna be a one time thing...it was a commitment." Ben smiles, "Had I been in your position, I would have hesitated too." His tail sways. "But you're brave. You confessed what you really wanted. That took guts." He says touching Ty's abs for a moment before going back to stroking his big black oozing tiger penis.

[9/15/13 3:54:03 AM] : Ty moaned with each stroke, his need burning as he kept rubbing Ben's foot paws with his own. "And you gave me the strength to do it Ben." He teased Ben's muscled pecs with his paws, gently tracing a circle around his nipple

as Ty grinned. "I'm so happy you took the medallion Ben." He kisses Ben's chest, still tracing circles with his claws."Best decision ever."

[9/15/13 3:58:06 AM] : Ben grinned, "I told you so." He begins to increase intensity as he pawed the beast, his lover, off lovingly. "I love you so much." Ben simply says and begins to pump even harder while caressing his balls and playing with his big meaty feet pads.

[9/15/13 4:00:35 AM] : "Oh Ben...thank you...I love you too..." He thrust back into Ben, never leaving his chest or footpaws as he massaged Ben's giant pecs. He began to feel his friend pump faster, growling a bit more like the beast he was.

[9/15/13 4:02:09 AM] : "That's it..." Ben purrs, "Just let it all out." He says as he pumps even harder as he kisses him while playing with his pads. "Just let it all out..."

[9/15/13 4:06:36 AM] : Ty bucked and moaned, feeling his body tense up as it rode the waves of pleasure. "Ggrrrr...yes...so good...such a beast..." He growled a bit as his tail swished around on the floor, his toes tensing up and digging into Ben's.

[9/15/13 4:09:17 AM] : "That's right..you're a beast." Ben says, "A big sexy mighty beast..." He purrs and watches as Ty tensed up nearing his climax, "Let yourself go." Ben begins to pump Ty's big cock with both his big meaty hand paws, doubling the intensity and pleasure. He played his feet while Ty's dug into them, making a sensation that was oddly pleasurable for the both of them.

[9/15/13 4:12:51 AM] : Ty's body was ready to burst, he threw one paw out digging in to the carpet as the other gripped Ben's chest fur. Ben's words rang true in his head, turning him on more as the footplay and double hand job nearly made him explode on contact. He bucked wildly, growling like a beast in heat. "Grgrrr...yes Ben...I'm a beast...help me let go...gggrrrrr..."

[9/15/13 4:15:40 AM] : "Roar with me beast!" Ben ordered as Ty reached his climax, Ben started to let out a loud roar, knowing that Ty would soon join him as he kept pumping his big black throbbing tiger cock with both hands. His pre spluttered all over his stomach fur.

[9/15/13 4:18:01 AM] : Ty let loose with a powerful roar, joining Ben's as the words and stimulation were too much. His member twitched a bit before firing like a rocket into Ben's chest, the rebound covering them both in sticky fluids. Ty thrust hard as load after load released from his feline shaft.

[9/15/13 4:19:56 AM] : "Good!" Ben roared, "Let it all out my sexy beast!" He says as the two were becoming covered in hot sticky tiger jizz. Ben moans as the warm cum coats he and Ty and he keeps pumping, making sure Ty released everything.

[9/15/13 4:21:59 AM] : Ty couldn't stop humping Ben's hand as the powerful grip milked him for everything. He cried out in pleasure as his orgasmism continued. "I am a beast!. Here me roar!" His last few streams spat out as he roared again, panting hard when it was all over. The goo ran all up and down their beautiful fur coats as the musk hit the air.

[9/15/13 4:26:00 AM] : Ben smiled widely and purred as Ty came down from his climax high. He hugged Ty tightly, being so proud of him. He couldn't help but smell the sickly sweet smell of their jizz filling the room, but he didn't mind at all. It smelled kind of nice to him. He purred as he looked at Ty and went down to his

massive muscular chest and began to lap up the cum the had been shot onto him. "Nice dude." Ben says, "I'm proud of you." The tiger says, still playing with Ty's huge beefy feet.

[9/15/13 4:28:51 AM] : Ty smiled, panting hard as he licked at Ben's chest. "Thanks man. That's means a lot to me." He continued to paw at Ben's feet, now slowly petting them with his claws. He ran his rough tongue of Ben's chizzled pecs, tasting the sweet flavor of their love. "I'm proud of you too man."

[9/15/13 4:32:21 AM] : Ben smiled as the two massive tiger boys licked each other clean, embracing their new selves, and their new love. Ben held Ty close as his eyelids began to grow heavy, exhausted from the nights transformation and mind blowing sex. In Ty's arms, there was no place he felt more comfortable. He gave Ty another kiss on the lips. "I think I'm falling asleep dude..." Ben grins, purring comfortably.

[9/15/13 4:34:19 AM] : Ty began to purr as well, licking and kissing back at Ben as his eyes began to shut as well. "Me too dude...I only hope we can be human again." He smiled at his lover, wrapping his massive arms around Ben and pulling him in close.

[9/15/13 4:36:25 AM] : "Somehow..." He says as he looks at the amulet on the ground a few feet away from them, "I think we will be..." He says purring and shutting his eyes, falling asleep into his lover's big strong arms.

[9/15/13 4:37:38 AM] : Ty holds Ben close, smiling wide. "I just want to become a sexy beast with you again...and again...and again..." He kisses Ben's nose, drifting to sleep as the massive tigers embrace each other and the love they share.
